My Dear Sir—

I remit to you Mac Gillivray's
Second Vol. on the Birds of Scotland
Volume, Williams having left it
in my power on a Second
& examination of the Birds of
its merits, which by the Way I
feel Confident are Manifold,
Simply, because of the Judgment
& Accuracy Manifested throughout
the Text, & facts of Every Species
With sincere regard
believe me truly Yours

My dear Sir

I remit to you MacGillivray's Second volume of the Birds of Great Britain: Without having had it in my power even for a moment to Examine or to think on its merits, Which I feel confident are manifold, Simply Cause of the pressure in my every moment since I had the Satisfaction of seeing You.
